ARVRLS Board Members Responded in Support:

Glenda Ezell
Heather Patton
Reagan Eisele
Leigh VonderHeide
Casey White

ARVRLS Board Members with No Response:

Brad Spikes
LaDonna Evans

Proposed Item:

An email request was submitted to the ARVRLS Board on July 29, 2021 which discussed the need for updates to existing technology-related policies. In order to receive financial support through the federal Emergency Connectivity Fund (ECF) program, a certification statement must be added to user agreement forms on the Wi-Fi Hotspot Lending Policy and Form, in addition to the Computer and Internet Access Policy (attached).

Final Vote: 8-2-2021

With a majority of respondents, ARVRLS will move forward with the policies as presented, distribute to staff members at all branch locations, and update the authentication screens used for public access computers
